The Holland Bulb Growers Association have donated a large sum of money for advertising in magazines, radio and will also show movie pictures of various home bulb gardens.

The object of this advertising is to help the florists regain their business in selling bulbs to their customers. This collection will give a variety of colors and a variety of bulbs.

The cost to you of this case of bulbs is \$125.00 F.O.B. Chicago. Price includes packing, duty and freight. The regular wholesale selling price is \$142.00; the retail selling price is \$305.00.

We have 500 cases packed in this manner. Please wire us on receipt of this letter the number of cases you desire. You can order from 1 case up. Advise in your *wire* whether to ship by *express* or *freight*.

Yours very truly,

A. MILLER

P.S. The enclosed letter is from the Associated Bulb Growers of Holland, which will explain to you the magazines where the advertising appears and also advising you of the radio programs. About one-quarter million dollars is being spent to help you sell bulbs.

# ASSOCIATED BULB GROWERS OF HOLLAND

41 EAST 42nd STREET

NEW YORK 17, N. Y.

September 16, 1946

American Bulb Co.,  
Mr. Abe Miller,  
Chicago, Ill.

Dear Mr. Miller:

Please excuse the delay in replying to your request for information about our advertising schedule and radio programs, but I had been waiting for some further information from the agency in order to make this letter as complete as possible.

For your information our consumer ads will appear in the following publications in the issues below:

Saturday Evening Post	September 28 October 26	Collier's	October 5 November 2
American Magazine	October November	Sunset	October November
Good Housekeeping	October	American Home	October
Better Homes & Gardens	November	House Beautiful	October
House & Garden	October November	Flower Grower	October

As to radio programs in the Mid-Western section, they will be timed for the first two weeks in October as a concentrated effort to stress the theme "Plant Holland Bulbs Now". Two or three stations will be used in the cities of Detroit, Michigan, Chicago, Illinois, Cleveland, Ohio and in the East, Buffalo, N. Y. and Philadelphia, Pennsylvania. The plan is to use 20 spots per week and as soon as a definite schedule of radio stations and their time is available, I shall be glad to supply that additional information.

With kindest regards, I remain

Yours sincerely,

MARGARET HERBST.
